

IOWA - BASED OWNERSHIP

We're local Iowans caring for local Iowans. We have deep roots in Iowa and the investment is personal. When dreaming of The Suites of Ankeny, our owners thought of a place where they would feel confident and proud to have their own loved one live. A home that supports independence and autonomy while also providing the peace-of-mind to know amazing care was available around the clock.

Four Levels of Care

LEVEL | Independent

1

For independent seniors who desire a community with hospitality services. Enjoy chef-prepared meals, social programs, and the peace-of-mind knowing support is nearby if you need it.

LEVEL | Easy Street

2

We know you can do it on your own, but you don't have to! Let us take care of your laundry and housekeeping services. You will have more time to enjoy what life is really about.

LEVEL | Peace of Mind

3

Level 3 adds medication management and shower assistance 2x a week by our compassionate, competent, and discreet staff.

LEVEL | We Got You

4

We all need a hand sometimes. Level 4 includes everything above plus we can do one person assist. That means, you need a little help transferring to your bed? We got you.

You can rest assured,
as needs evolve,
care adapts — seamlessly,
compassionately,
and without disruption.
